

# In-Car Camera Consent Form

Form Number MR125 08/19

The Department is committed to preventing injury and illness by providing a safe and healthy driving assessment environment for all clients and Authorised Assessors.

To ensure the safety of all involved all on-road light vehicle assessments must be monitored with the use of an in-car camera.

The in-car cameras may serve a number of purposes included being used as:

- Evidence to take action against any individual who exhibits violent, aggressive or inappropriate behaviour during assessments;
- Evidence to investigate WHS claims in relation to events that occur during a driving assessment;
- Evidence to investigate complaints and allegations made about an element of the assessment including against an individual or outcome of an assessment;
- A method of conducting compliance audits to ensure adherence to the procedure manuals and associated standards;
- A method to assist in the training and development of individuals undertaking assessments to ensure fair and consistent assessments; and
- A method to underpin moderation to ensure that assessments are conducted fairly and consistently across the State.

All footage will be treated confidentially and will not be disclosed to any third party unless you consent or it is authorised by law. Access to the footage taken of you when you undertook the assessment will only be permitted in the following circumstances:

- In the presence of Department of State Growth staff, and
- if access is arranged ahead of time and footage.

You will not be permitted to take a copy of the footage for viewing away from Department of State Growth offices or Authorised Assessors.

Before the commencement of your driving assessment, please carefully read the form in its entirety and complete the form below and return to the Authorised Assessor. If you have any questions or do not fully understand any part of this form, please ask before signing. **Your assessment cannot be undertaken until this form has been completed.**
